

The 1st International Olympiad on Astronomy and Astrophysics

Team leaders discuss the Theoretical Exam while the students are on tour

Team leaders at the 1st International Olympiad on Astronomy and Astrophysics (IOAA) held their first discussion on the Theoretical Exam at the Huay Som Poi Room, Lotus Pang Suan Kaew Hotel on Tuesday morning. In the evening, they gathered again to mark the Practical Exam and to translate the Theoretical Exam to be ready for Wednesday.

Meanwhile, on Tuesday afternoon the students enjoyed an excursion to many Chiang Mai tourist attractions including Chiang Mai Zoo, Doi Suthep Temple, and Phuping Palace. As the zoo they explored the wonderful world of animals. Where the pandas and elephants attracted particular interest. Then, after moving on Doi Suthep, they were all greatly impressed by the magnificence of Doi Suthep Temple and Phuping Palace.
